NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1928-9 of the King's Regulations and Admiralty Instructions of 1913.

NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,
Admiralty,
London, S.W. 1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List :—

Officers on the Retired List who have commuted their Retired pay.

Officers retired with a gratuity.

Officers of the late Royal Naval Artillery Volunteers.

Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service ; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

O. MURRAY.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b) If the number of persons belonging to the Naval Reserve on board is less than 8, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

Admiralty,

By command of their Lordships.

SEA CADET CORPS.

The Sea Cadet Corps is composed of officially recognised Naval Units of various Central Associations. The authority to whom the Lords Commissioners of the Admiralty delegate their power to grant official recognition of Naval Units in the British Isles is the Admiral Commanding Reserves, from whom copies of Regulations governing the "formation, organisation, and administration" of units of Sea Cadet Corps can be obtained.

NOTE.—The letters N.G.S. against the name of a corps indicate that the corps, although officially recognised and subject to the same regulations as the remainder, is not eligible to receive capitation grant or other concessions which will involve expense to the state, or to be supplied with Naval Stores on loan.

THE VICTORIA CROSS.

GEORGE R. AND I.

Whereas Her late Majesty Queen Victoria, by a Warrant under Her Royal Sign Manual dated 29th January, 1856, did create a Naval and Military Decoration to be styled and designated "The Victoria Cross," and did express Her desire that this decoration should be highly prized and eagerly sought after by the Officers and Men of Her Naval and Military Services.

And whereas by divers subsequent Warrants other Officers and Men were admitted to and made eligible for the decoration, and certain amendments were made to the Rules and Ordinances attaching thereto.

And whereas We deem it expedient that the said Warrant and subsequent Warrants before referred to, as also the Rules and Ordinances affecting the same, shall be consolidated, varied and extended.

Now, therefore, We do hereby declare that the said Warrants, and the Rules and Ordinances heretofore in force for the Government of the said Decoration, shall for that purpose be amended, varied, modified and extended; and in substitution thereof We by these presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following Rules and Ordinances for the Government of the same which shall from henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a red riband, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

Thirdly.—It is ordained that the Cross shall only be awarded for most conspicuous bravery or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

Fourthly.—It is ordained that the Cross may be awarded posthumously.

Fifthly.—It is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette* and a registry thereof kept in the office of Our Secretary of State for War.

Sixthly.—It is ordained that—

(1) Officers, Warrant Officers and subordinate Officers, hereinafter referred to as Officers, Chief Petty Officers and Petty Officers hereinafter referred to as Petty Officers, men and boys hereinafter referred to as Seamen, serving in (a) Our Navy or in ships of any description for the time being under Naval Command; (b) Our Indian Marine Service; (c) Navies or Marine Services of Our Dominions, Colonies, Dependencies or Protectorates; and (d) Our Mercantile Marine whilst serving under Naval or Military Authority, or who in the course of their duties may become subject to enemy action;

(2) Officers, Warrant Officers, Non-Commissioned Officers, men and boys hereinafter referred to as Marines, serving in Our Marines;

(3) Officers, Warrant Officers (Classes I and II), Non-Commissioned Officers, men and boys hereinafter referred to as Privates, of all ranks serving in Our Army, Our Army Reserve, Our Territorial or other forces and the Forces of Our Dominions, Colonies, Dependencies or Protectorates;

(4) Officers, Warrant Officers, Non-Commissioned Officers, and Airmen in the ranks of Our Air Force, or the Air Forces of Our Dominions, Colonies, Dependencies or Protectorates;

(5) British and Indian Officers and men of all ranks of Our Indian Army, the Imperial Service Troops of Native States of India, or any other Forces there serving under the command, guidance, or direction of any British or Indian Officer, or of a Political Officer attached to such Forces on Our behalf, and

(6) Matrons, sisters, nurses and the Staff of the Nursing Services and other Services pertaining to Hospitals and Nursing, and Civilians of either sex serving regularly or temporarily under the Orders, direction or supervision of any of the above-mentioned Forces

shall be eligible for the Decoration of the Cross.

Seventhly.—It is ordained that if any recipient of the Cross shall again perform such an act of bravery, as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

Eighthly.—It is ordained that every recommendation for the Award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow, and attestation of the act as he may think requisite, and if he approve he shall recommend the grant of the Decoration to Our Lords Commissioners of the Admiralty, Our Secretary of State for War and the Royal Air Force as the case may be, who shall submit to Us the names of every one so recommended whom they shall consider worthy: in the case of there being no British or Indian Officer, then the Political Officer attached to the Force shall, after obtaining conclusive proof of the act of bravery as far as is possible, if he approve submit the recommendation to Us through the proper channels.

Ninthly.—It is ordained that in the event of any unit of Our Naval, Military or Air Forces, consisting in the case of Our Navy of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of Our Army of a regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of Our Air Force of a Squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Admiral, General or other Officer in command of the Force to which such an unit belongs, is unable to single out any individual as specially prominent in gallantry or daring, then one or more of the officers, warrant officers, petty officers, non-commissioned officers, seamen, marines, private soldiers or airmen in the ranks comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(a) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the Decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer of the unit shall be selected by the

warrant officers, petty officers or non-commissioned officers engaged, and one seaman, marine, private soldier or airman in the ranks shall be selected by the seamen marines, private soldiers or airmen in the ranks engaged.

(b) When the total personnel of the unit exceeds 100 but does not exceed 200 then the number of seamen, marines, private soldiers or airmen in the ranks to be selected in the manner described in (a) shall be increased to two.

(c) When the total personnel of the unit exceeds 200 in number, the number of Crosses to be awarded in accordance with these provisions shall be the subject of special consideration by Our Lords Commissioners of the Admiralty or by one of Our Secretaries of State for submission to Us.

(d) The selection to be by a secret ballot in such manner as shall be determined in accordance with the foregoing provisions by the Officer directing the selection to be made.

(e) The death of any person engaged shall not be a bar to his selection.

(f) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in Rule 8.

†Tenthly.—It is ordained that every recipient of the Cross, not being nor ranking as a Commissioned Officer nor in the case of Our Navy, being or ranking with a warrant officer, nor coming within Rule 11, shall from the date of the act by which the Decoration has been gained, be entitled to a special pension of Ten Pounds a year, and each additional Bar conferred under Rule 7 on such recipient shall carry with it an additional pension of Five Pounds per annum.

Eleventhly.—Every Indian Officer of Our Indian Army of rank junior to that of Second Lieutenant who shall have received the Cross shall,

* Whenever Officers and men participate in a ballot for the Victoria Cross under the provision contained in the ninth clause of the above Royal Warrant, a notation will be made in the official records of the Officers, and on the Service Certificates of the men not selected to the following effect:—"Participated in ballot for award of V.C. to member(s) of Ship's Company or to Officer(s) of..... name of unit..... date....." Such notations are never to be made on Service Certificates until Admiralty authority in the particular case has been given in Fleet Orders. (C.W. 13424/21.)

miralty have power to increase the ordinary Victoria Cross annuity of ten pounds up to a sum not exceeding seventy-five pounds in any one case in which the recipient is unable, in consequence of age or of infirmity occasioned by causes beyond his own control, to earn a livelihood, and further to award in like circumstances an annuity up to seventy-five pounds in the case of a Commissioned or Warrant Officer of the Naval Service who has been awarded the Victoria Cross, subject to the condition that such annuity, together with any pensions of which he may be in receipt from Public Funds shall not exceed seventy-five pounds a year.

Twelfthly.—In order to make such additional provision as shall effectually maintain pure this most honourable distinction, it is ordained that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he or she be accused of any such offence and doth not after a reasonable time surrender himself or herself to be tried for the same, his or her name shall by an especial Warrant under Our Royal Sign Manual, forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred and the pension conferred under Rules 10 and 11 shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and pension, and notice thereof of expulsion or restoration in every case shall be published in the *London Gazette*.

Given at Our Court at St. James's this 22nd day of May, in the eleventh year of Our reign, and in the year of Our Lord one thousand nine hundred and twenty.

By His Majesty's Command.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

If accommodation is available, to receive the children of Widowers, below Warrant Rank, serving in His Majesty's Navy and Marines, subject to conditions and payment of a weekly sum, to be determined by the Directors, and to train these children in the same way as the fatherless children.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 130 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 10 girls partially maintained by Greenwich Hospital Funds and 4 under the Royal Patriotic Fund.

There is also another small Home in Clarendon Road, Southsea, where 20 children from 5 to 7 are received.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service and such other occupations as the Directors from time to time deem advisable. A few girls will join the Secondary School for further teaching, and some are attending the Higher Education Classes outside the Home.

There are 40 boys (to be increased to 50), maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

THE object of the Home is to provide for the fatherless children of our Seamen and Marines, and ensure them a practical training, including all household and laundry work, under a capable Matron, with a view to domestic service. Every effort is made to secure good situations for the girls on leaving the Home.

If any girl shows a particular aptitude for special work outside domestic service she is given her chance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary School, at the expense of the Funds, have been instituted.

On 31st December, 1922, 37 girls were maintained in the Home, in addition to 38 boys maintained at Swanley and other Homes.

All denominations are accepted, and orphans of men of the R.N.R. and R.N.V.R. who have lost their lives whilst on duty in the Royal Navy, are equally eligible with those of men of the Royal Navy. Age for admission 5 to 12 years.

The Home is governed by a Committee of officers and men, who earnestly invite visitors to view the Home.

The extent of the good work of the Home depends on voluntary contributions, and all donations will be gratefully received. Donations should be sent to the Hon. Treasurer and all correspondence to the Hon. Secretary, addressing in both cases to the Royal Naval Barracks, Chatham.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen Killed or Disabled in the War.

This Fund was settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

The Fund produces an annual free income of about £1,000.

The Trustees are Mr. GEORGE MACDONALD, C.B., Secretary of the Scottish Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C., Edinburgh; Professor HARVEY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh, and Mr. E. F. H. BRADBY, Solicitor, London.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicant, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from November the 11th, 1918, being the date of the cessation of hostilities in the late War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and they have not laid down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh.

THE FLORENCE NIGHTINGALE HOSPITAL FOR GENTLEWOMEN

19, LISSON GROVE, LONDON, N.W.1.

This Hospital was founded in 1850 by VISCOUNTESS CANNING and organised by MISS FLORENCE NIGHTINGALE, who acted as the First Lady Superintendent before she left for the Crimea.

Its object is to provide gratuitous medical and surgical treatment for ladies of limited means, Governesses, Artists, Hospital Nurses, and relatives of the Clergy, Naval, Military and Professional Men.

Patients are attended by eminent Physicians and Surgeons from the Staffs of the leading London Hospitals.

The income is derived from patients' fees, which vary from £2 2s. to £4 4s. per week, equalling about half of the total expenditure, and from investments which bring in about £300. The Balance of some £3,000 has to be made up by annual subscriptions and donations.

Any further particulars, together with forms for admission, and the Report for 1922, can be obtained from the Lady Superintendent, at the above address.

This Society (founded in 1860) provides trained Lay Workers for the Royal Navy and Royal Marines. The Society works only among men of the Service; it is officially recognised by the Admiralty, and it now appeals to the Service for financial help.

The Readers work in Shore Establishments at the chief Naval Ports at home. They find many opportunities to get into close touch with Service men, and to deliver their message. They render valuable help to the Chaplains under whom they work.

The serious increase in post-war expenses has not been met by a corresponding increase in receipts. The Society is now in urgent need of a larger income. Subscriptions and Donations may be sent to—

Secretary—Miss BURBURY, 2, Earl's Terrace, London, W.8.

1. This Hospital Fund for Officers' Families, instituted in 1911 as the Officers Family Hospital Fund, is intended to assist officers by securing nursing benefits in Great Britain for their wives and children, as hereinafter specified, and for the mothers and unmarried sisters of bachelor officers if dependent on them.

MEMBERSHIP AND SUBSCRIPTIONS.

2. Commissioned officers and retired commissioned officers of the Royal Navy and Royal Marines, widows of officers, and their daughters when over the age of 21 years, are eligible to join the fund as members.

3. The annual subscription for members is one guinea a year. All subscriptions are due annually on 1st January. Members joining after 30th June will be required to pay only half the annual subscription for that year.

4. Subscriptions are to be paid direct to the account of the fund at Lloyd's Bank, Limited, Messrs. Cox & Co.'s Branch, 6, Pall Mall, London, S.W.1.

5. Before obtaining the benefits of the fund a subscriber must have been registered as such for a period of six months.

BENEFITS.

6.—(i) Subject to the conditions specified hereunder, the benefits referred to in para. 1 consist of grants to assist in defraying the expense of residence in or attendance at a nursing home or hospital in Great Britain; such home or hospital is to be one that is fully recognised by the committee.

(ii) The amount of each grant will be the actual expenses incurred up to *4l. 4s.* weekly, in addition to a sum sufficient to meet the cost of certain extras, such as fees for the use of the operating theatre, medicines, etc.

(iii) The fund does not pay doctors' fees, nor for special treatment, such as massage, electricity, baths, etc., nor for a special nurse in a nursing home or hospital; but where a nurse is employed privately from motives of economy, or should there be no suitable nursing home or hospital available, a grant for such a nurse may be made for actual expenditure up to *3l. 13s. 6d.* a week.

(iv) Maternity cases, chronic and nervous disorders, rest-cures, or open-air cures are not eligible for benefit under this fund.

(v) The committee reserves the power to increase the ordinary grant of *4l. 4s.* in special cases.

7. These benefits cannot continue for more than six weeks in any one year.

8. Grants may be claimed for the sons of members up to the age of 18 years, and for daughters up to the age of 21 years or until their marriage.
